

*WHAT IS THE
NEW RICHLAND AREA
FOUNDATION FUND?*

It is a community foundation which gives the public the option to build charitable funds. When people contribute, or make donations, the money is invested with other funds. The money earned from the investment is used to make grants to non-profit organizations in the New Richland area to fulfill their goals.

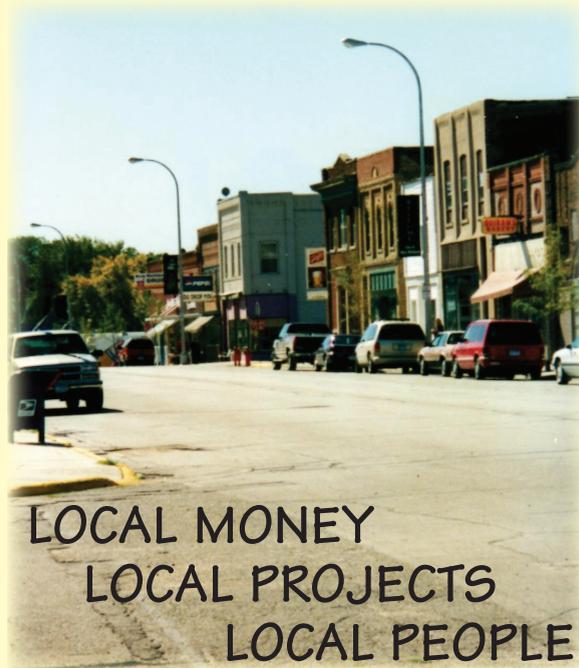

The New Richland Area Foundation Fund, under the direction of The Waseca Area Foundation through its affiliation with the Minnesota Community Foundation is a partner in helping individuals, with their advisors, realize the potential of their contributions.
