Garbage and Recycle Containers

The City Maintenance Dept. asks that all garbage and recycle containers be placed on the boulevard or in your driveway thru the winter months. This is especially important on days that it is snowing.

THANK YOU!

Snow Removal

PARKING: City ordinance prohibits parking on city streets following a two (2) inch or more snowfall until the snow has been plowed by the city. If you currently park on city streets, please make arrangements to find alternative parking during the winter months. Violators will be subject to an administrative fine of no less than \$25 per occurrence.

FIRE HYDRANTS: Please help keep your fire hydrants clear of snow for emergencies.

SIDEWALKS: The owner or occupant of any property adjacent to a public sidewalk shall use diligence to keep the walk safe for pedestrians. Generally this means within 24 hours of a significant snow-fall the walk must be cleaned. The ordinance allows for City maintenance to remove the snow and ice after 24 hours and bill the owner (minimum rate \$40.00 per occurrence).
