SAVE THE DATE!

NEW RICHLAND FARM & CITY DAYS

JULY 11-14TH

We have so many great events planned for this year! Posters have been hung up all around town, take and look as some events ask for advanced registrations!

DOG/CAT LICENSING AND REGULATIONS

The City Ordinance requires registration for cats as well as dogs. The number of domestic animals per household is allowed no more than 5 animals, of which no more than 2 can be dogs.

All dogs and cats within the City of New Richland are required to be registered. Lifetime registration is \$10.00 and can be obtained at City Hall. Replacement tags are \$5.00 and can be obtained at the City Hall.

City Ordinance prohibits dogs and cats from running at large. Dogs should be accompanied by a responsible person and effectively restrained by a leash. City ordinance requires all pet owners to clean up after their pets on their property and when walking around town. We have animal waste stations at the City Park and at the Garden Club corner of Hwy 30 and Ash St. (See Animal Ordinances on the City Website for more information)

Building and Zoning Permits

Thinking about a spring or summer project? Some of the typical household construction projects that require building permits from the City are listed below:

☐ Decks ☐ Re-Roofing ☐ Finishing Basements ☐ Fences ☐ Siding ☐ Window Replacement ☐ Gazebos ☐ Retaining Walls ☐ Heat and A/C ☐ Sheds ☐ Additions ☐ Alterations

Permits issued for re-roofing, siding, and windows are issued the same day. All other permits require approval by either the Zoning Chairperson or Building Inspector or both, so please allow adequate time for processing. Please have all drawings, plans, and material lists available when submitting the permit for approval.

City of New Richland
