Mon. 10th Mon. 24th**CITY NEWS**

Sept. Council Meets:

Mon. 14th Mon. 28th**Public Safety News from the:****New Richland Police Department****NRPD Back to School Safety**

With school starting soon, it is important to remember a few things:

Drivers: Watch for children on their way to or from school. Be alert as you back out of a driveway, drive through a neighborhood, school zone, or bus stop. Take a little extra time to make sure your path is clear. Be aware of school busses, you must stop for them when they display red flashing lights.

Walkers: Use the sidewalk whenever possible, if no sidewalk, walk on the edge of the street facing traffic. Always use a crosswalk or cross the street at the nearest intersection. Make sure to check both directions before crossing the street.

Bikers: Always wear a helmet. Ride in the same direction as traffic or in a bike lane and follow all traffic signs and signals. Do not use electronic devices while riding, they are distracting.
